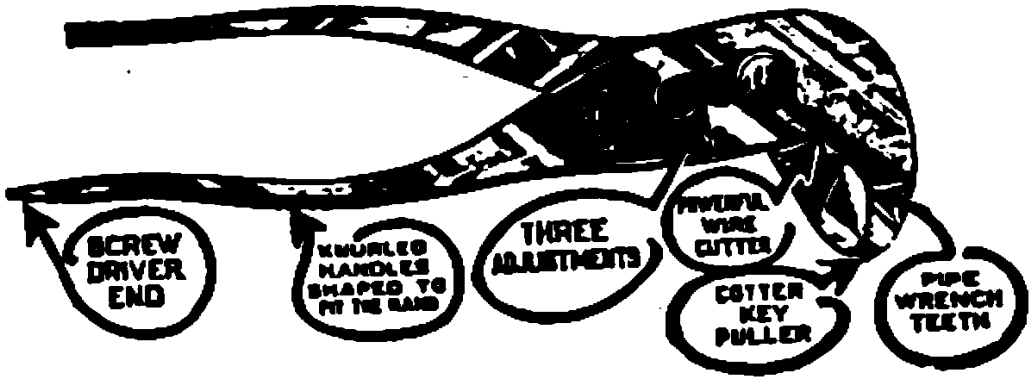
PARROT HEAD PLIERS



Most useful plier for radio, battery, and automobile service men. Drop forged from alloy steel, oil hardened and tempered, highly polished and nickel plated over copper. Their unique construction combines all the qualifications of the slip-joint pliers with those of a powerful pipe wrench. Makes difficult places easy to get to. Giving universal satisfaction. Strictly guaranteed. Ask dealer or sign blank below. Price, 5½ inch, $1.40; 7 inch, $1.50.

ORDER TODAY.

A trial will convince you.
